***Grant Project***

**Briefly describe a specific project or activity to which an M2M Mini-Grant would be applied.** Include specifics that distinguish your project from the ordinary. You may wish to review the Question/Answer page.

Texas Parent to Parent (TxP2P) has had a conference for parents for 12 years. Within the conference, we've had a 2-day mini-conference, the Peer to Peer Summit, for teens and young adults with and without disabilities. In our Summits, the teens are introduced to leadership, self-advocacy, physical activity, and team building, all done through activities with a minimum of lectures. They also have a lot of fun! Staff from Region XIII Education Service Center provides the facilitation of the Peer to Peer Summit.

We will use the funding from the Mission Trail Rotary's M2M Mini-Grant to offer scholarships to pay the registration fees for 12 teens/young adults and to help pay for the Teen Summit expenses (t-shirts, bags, session materials, and food) for the 50+ teens, young adults, attendants, and the session facilitators (about 65 people).

***Grant Budget***

**Append or insert an estimated budget for the specific activity or project this grant application will fund.** The Grant Budget should describe only the Mini-Project you wish to fund, not an overall program requirement. The total budget should agree with the figure you listed on page 2 of this application: [Requested total for Mini-Grant Project].

**TxP2P is requesting $2,000.00 from the MTR Mini-Grant Project:**

Teen Summit Expenses:

## ** Any additional Information (below) **

Texas Parent to Parent has collaborated with Mission Trail Rotary in 2005-06 through a grant from the District Donor Advised Fund to provide support and information to San Antonio families. We used the funding to do outreach to increase the number of families who receive support services from us. Today we have doubled the number of families in the area who receive services from us. We created a San Antonio & Vicinity Listserv to build the feeling of a community for families of children with disabilities. The Listserv now has almost 188 families sharing resources and support.

Texas Parent to Parent also presented at the 2008 District Conference in Fredericksburg. Our topic was "Rotary Can Help." We explained the struggles families of children with disabilities face and discussed way Rotarians can help when they become aware of a family or have a relative who has a child with a disability. We also had a booth for 2 days at the Conference.

Texas Parent to Parent also received a Mini-grant in 2009, 2010, 2011, 2012, 2013, 2014, 2015 and 2016 that we used toward the supplies and food for the Teen Transition Summit at our annual conferences. We had 510 people in attendance at our 2016 conference, with 353 parents, family members, and/or foster parents, 41 self-advocates, and 120 professionals. In addition, we had 50 exhibitors and 14 sponsors, 70 children in child care with 20 child care workers, and 150 staff, volunteers & speakers. All count about 900 people. Over the 2 days, we provided eighty-four 90-minute seminars presented by parents and professionals, with attendance ranging from 5 to 80 people in each session.

We have enjoyed our work with Mission Trail Rotary and look forward to working together again in the future.
